

FARID AHMAD NOORI

IT Technician & Web Developer

ABOUT ME

I am an adept IT technician and accomplished web developer with five years of hands-on experience, consistently delivering high-quality results. I excel in troubleshooting complex technical issues and crafting innovative web solutions. My passion for staying updated with the latest advancements in technology, coupled with my strong technical expertise, makes me a reliable and proficient professional in the field. My talent lies in seamlessly blending technical prowess with creative problem-solving, and I am particularly interested in opportunities within IT, graphic design, and software development.
